

My First Visit at Swing for the Stars

I am going to Swing for the Stars

When I get to Swing for the Stars I will ride the elevator to the 4th floor

I will walk down the LONG hallway until I see the Swing for the Stars door.

I will go into the waiting room

I will wait in the waiting room for someone to come get me so we can play

While I am in the waiting room I will take my shoes off and I will wait for my turn

Swing for the Stars even has a kid's play area in the waiting room.
I can play with toys or look at books while I wait for my turn.

There are lots of fun rooms at Swing for the Stars and lots of fun things to do!

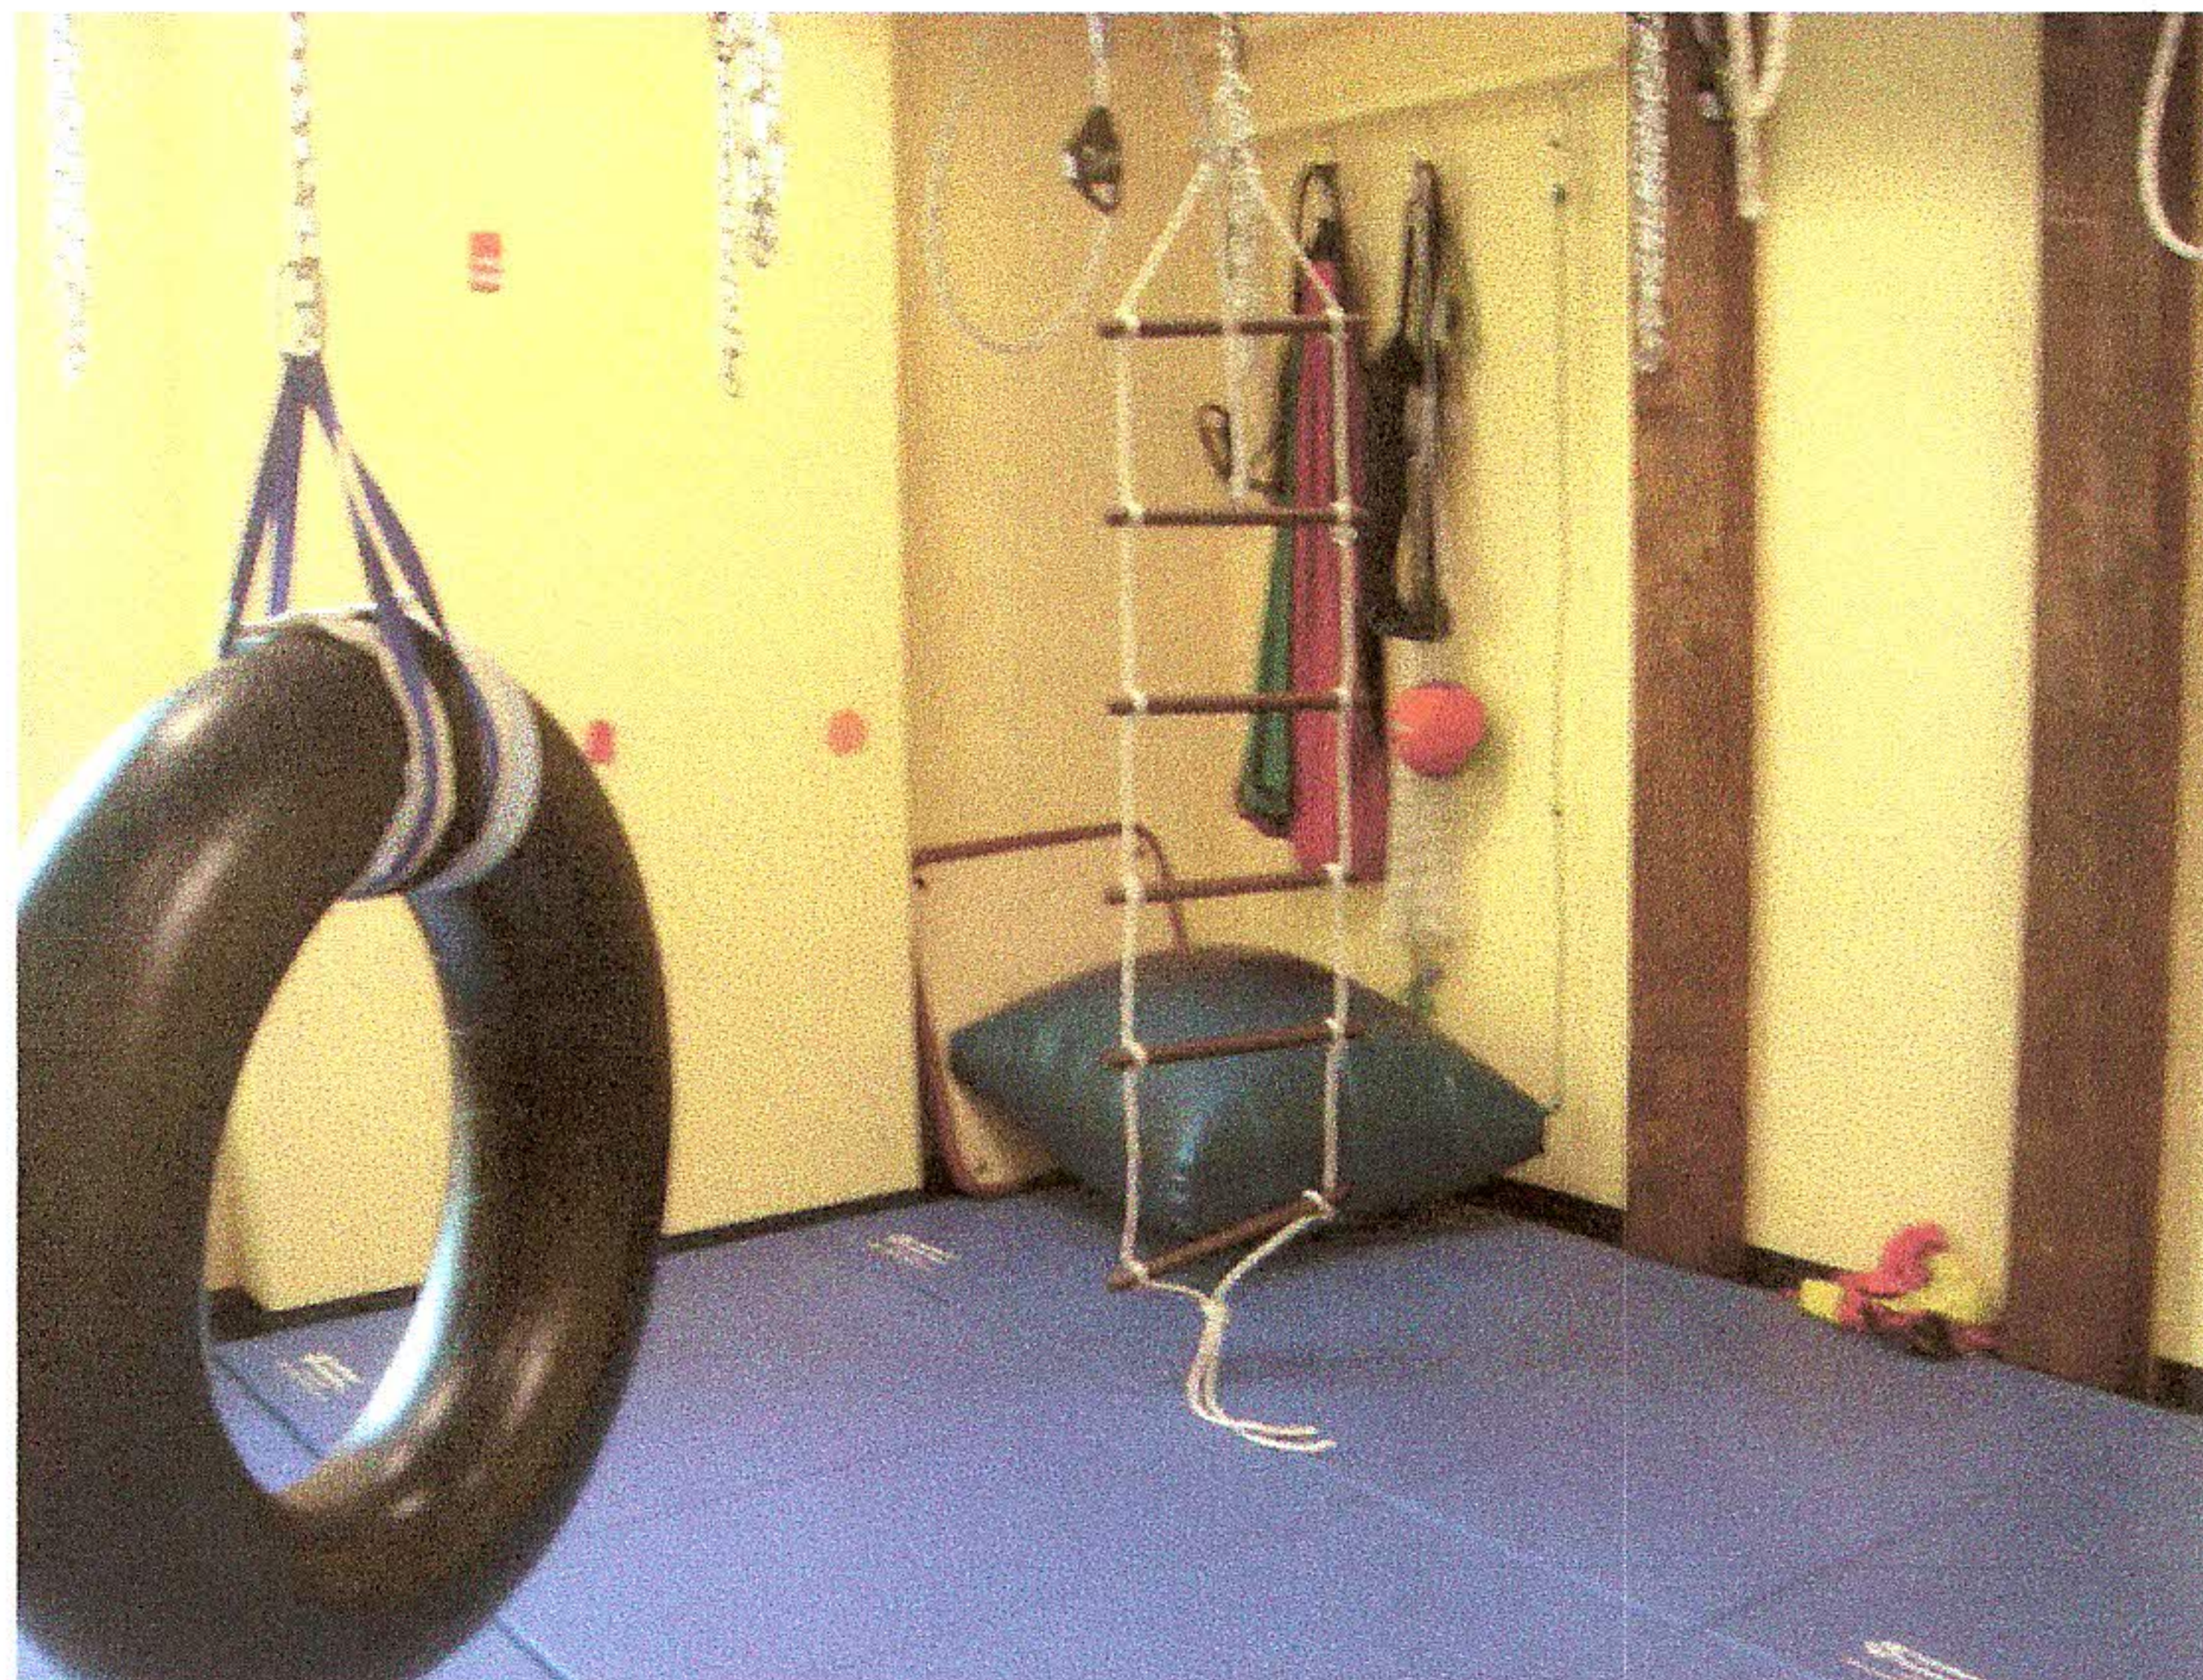

We might play with swings

We might play in the ball pit

Or we might play games at the table

I will have fun playing at Swing for the Stars

When I am all done playing at
Swing for the Stars I will walk back out to
the waiting room

I will then put my shoes back on and get
ready to leave

Swing for the Stars is FUN! I like playing at
Swing for the Stars.
Bye Swing for the Stars!!
